

PROJECT CHARTER	
Project Name	Textual connection
Date Produced	10-17-2020
Project Goals	Our main goal with this project is to reduce the price of post-secondary education, by reducing the price of textbooks. [This section defines what the project will achieve and how it supports the goals of the organization.]
Project Objectives	We can reduce the cost of textbooks by enhancing the usefulness/viability of the second-hand textbook market. To that end, our concrete objective is to better serve the connection between post-market buyers and sellers. [This section defines the specific outcomes that are required to achieve the project goals.]
Project Budget	N/A
Project Sponsor	Timothy Maciag, Professor
Project Manager	N/A
Additional Key Project Stakeholders	

- Tristan Brown-Hannibal, Developer
- Syed Muhammad Ali Haidry, Developer
- Wilbur Dulce, Developer
- Timothy Maciag, Professor/Project Sponsor

[The names of key stakeholders that are known at this point in the project, including their job title or project role.]

Overall Project Milestones	Dates
Project Activity #2 Deliverables	October 23, 2020, @ 4:30 pm
Project Activity #3 Deliverables	November 6, 2020, @ 4:30 pm
Project Activity #5 Live Demo	November 30 or December 2, 2020, @ 10:00 am
Project Activity #5 Deliverables	December 7, 2020, @ 10:00 am

[Milestone dates.]

[A list of the key milestones that are known at this point in the project.]

Overall Project Risks

- Scope creep
- Missed deadlines
- Poor schedule assumptions
- Developer struggles with new technology
- Malaligned task priorities
- Loss of developers (i.e someone drops out of the course)
- Limited development time

[A list of the overall risks that are known at this point in the project.]
